

Driver Education Disclosure Statement for Copper Hills High School

Classroom Instructor: Mike Wright

Driving instructors: Jeff Price, Larry Kimura, Scott Adamson, Eric Gunderson, Garth Rushforth, Kent Smith, Andrew Blanchard, Ben Morley, Shane Lucas, Jon Simpson, Kai Kapele

Driver Education is a three-phase program at Copper Hills High School. They are as follows:

Phase 1: Classroom and Bookwork

The classroom phase includes bookwork, discussions, films, quizzes, tests, and attendance.

After two weeks of instruction, the state written test will be given. If you score 80% or higher, you may go to the DLD and receive your practice permit. Some of you may have already done this. This permit allows you to drive on the road with an instructor, parent, or guardian. Students are required to obtain this permit by the end of the quarter. If the permit is not obtained, the student will receive a "No-Grade" until they get their permit number to Mr. Wright.

Grades are calculated on a percentage basis using the following scale:

93 - 100 = A	80 - 82 = B-	67 - 69 = D+
90 - 92 = A-	77 - 79 = C+	63 - 66 = D
87 - 89 = B+	73 - 76 = C	60 - 62 = D-
83 - 86 = B	70 - 72 = C-	Below 60% = F

**Note: You must pass with an 80% or higher in order to get your license.

Phase 2: Range Driving

Each student will complete two 3-hour ranges after school with an instructor. Sign-up sheets are posted in the classroom.

**Parents please note: Students will know in advance when their ranges are, so please plan in advance to pick them up.

Phase 3: Road Driving

Each student will drive 3 hours with an instructor. This will be divided into 3 or 4 driving sessions with other students either before or after school or on Saturdays. Their road instructor will contact the student to set up road times.

**Parents please note: A student cannot drive on the road without a practice permit.

Preparation and Attendance: Utah State Law requires that students be in attendance for 30 hours or classroom instruction. If the student attends less than 30 hours, they will receive a No-Grade for the class (Mr. Wright will deal with extenuating circumstances on a case-by-case basis). Each class period equals 1.5 hours. This equates to 20 classes in order to get the 30 hours. One make-up class will be held at the end of the quarter. Misuse of the hall pass, sneaking out, or sloughing will count as an unexcused absence and cannot be made up.

Make-up work: Students will be allowed one extra day to turn in work for excused absences. I do not accept late work since it can be completed during class time.

Failing the class: If a student fails the class during the school year, he or she must complete driver education during summer school at CHHS for an additional fee.

Practice Driving: Utah State Law requires that students drive 40 practice hours (10 of these at night) with a parent or legal guardian to obtain their driver license.

Practice Permits: Students must have a practice permit before they can drive on the road. Students must be 15 years old to obtain this permit and must also drive with the permit for at least six months before obtaining their license.

Assignments and Tests: Worksheets will be corrected in class by exchanging papers with other students. The instructor will read and discuss the correct answers. Every day a quiz will be given on the assignment from the previous day.

Extra Credit: There will be an extra credit assignment worth 100 points.
